

# Stock Mold Base Program

Can't find a stock clamshell? You can still save on tooling costs by utilizing our stock mold base program. Decide what cavity size goes in the outside dimension, and we make mold inserts for your special design. It is quick, simple, and the least expensive way to customize your clamshell packaging.

Item #	Overall Outside Dimensions		Cavity Dimensions Area			Card Dimensions Area		Thickness
	Length	Width	Length	Width	Depth	Length	Width	
150	6.125	3.125	Cavity Size is Custom Made  			4.937	2.562	0.010, 0.012
175	5.625	4.000				4.500	3.562	0.015
250	7.437	3.625				6.437	3.140	0.020, 0.015
260	8.000	3.500				6.875	3.062	0.015
275	7.000	5.000				5.750	4.343	0.015, 0.020
290	9.062	4.375				7.937	3.812	0.015, 0.020
350	6.375	7.500				5.125	6.750	0.015, 0.0175
360	9.687	3.500				8.500	3.062	0.015, 0.0175, 0.020
390	8.375	3.812				7.890	3.250	0.015, 0.020
450	8.125	5.000				7.125	4.375	0.015, 0.020
550	10.750	5.125				9.625	4.687	0.015, 0.0175, 0.020
